DR. JAMES W. WRIGHT

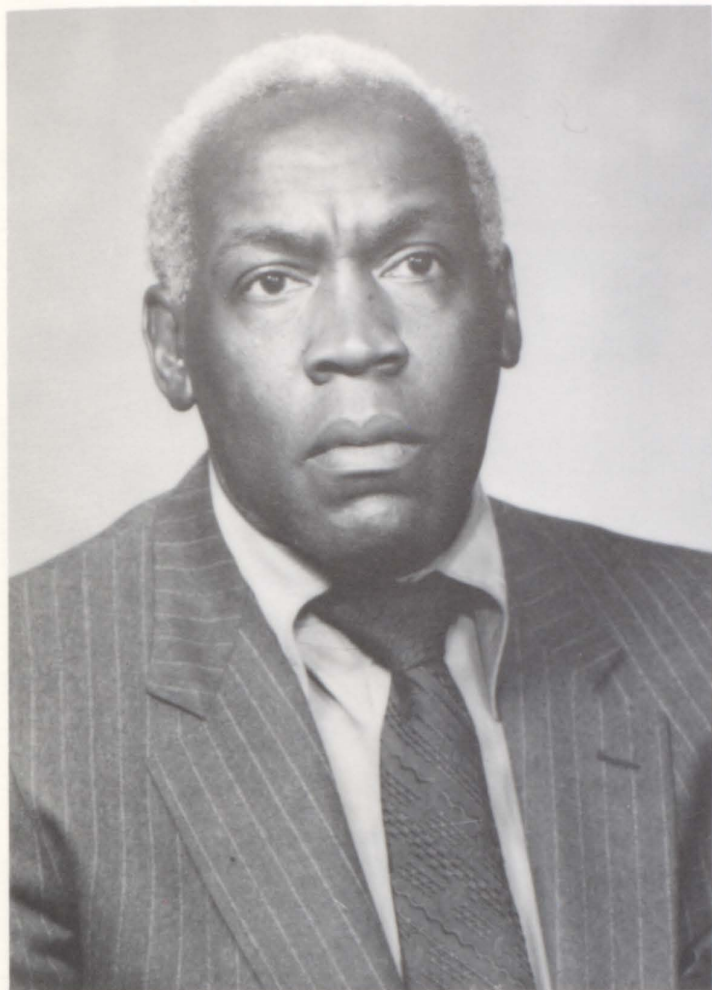

Dear Graduates:

As time determines the end of another school year and the class of '87 takes its final march through the portals of Central High School, tears of joy and regret will flow from the hearts of many. You will leave to seek your destiny in other pursuits. For some, the academic roles you played in "The Homes of the Blue Devils" will end. Some, blessed with new hope and new fears will begin another journey disseminating knowledge learned here so that others might benefit. For others the academic escalator will continue to climb.

I sincerely hope that you achieve the "good life" and as the memories of days at Central High School begin to fade reach out for this historical chronicle. Through this excellent recapitulation I hope that you can relive the emotional involvement of your experiences. Travel far and wide but always remember that success is not a destination. It is a journey.

I wish for you excellence, happiness and success.

DOREEN BALDWIN - PRESIDENT

THERESA BOXTON - VICE-PRESIDENT

It has been stated that "the meek shall inherit the earth." Our four years at Central have provided us with many opportunities to display meekness. We have experienced many good times and some unfortunate or sad times as well. We have watched and listened as outsiders and insiders have praised us and condemned us.

The time has come for the class of '87 to rise to the occasion of leadership. Robert Frost's poem "The Road Not Taken" could function as a partial theme for us. We have the opportunity to select a road which will assist in our own progress and the progress of our nation. We also could opt to select the incorrect path, which would aid in our potential destruction.

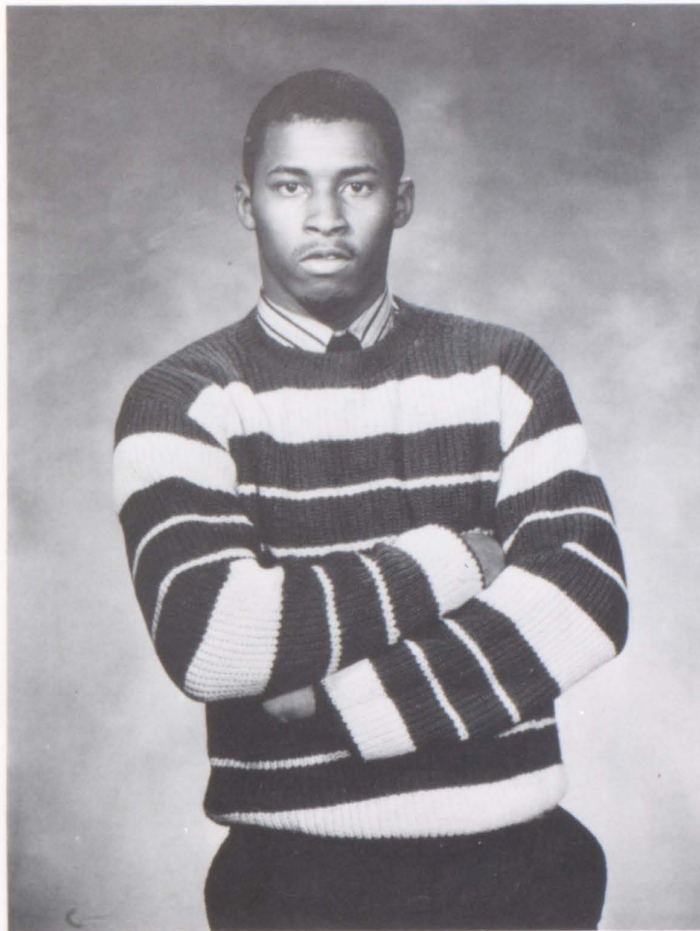

Since we have been blessed with brains, ability and skill, let us attempt to achieve some levels of positive accomplishments as we step into this world of high technology. With a positive attitude, we can help to make this planet a better place for the meek to dwell.

I wish you all good luck in the future.

SPORTS

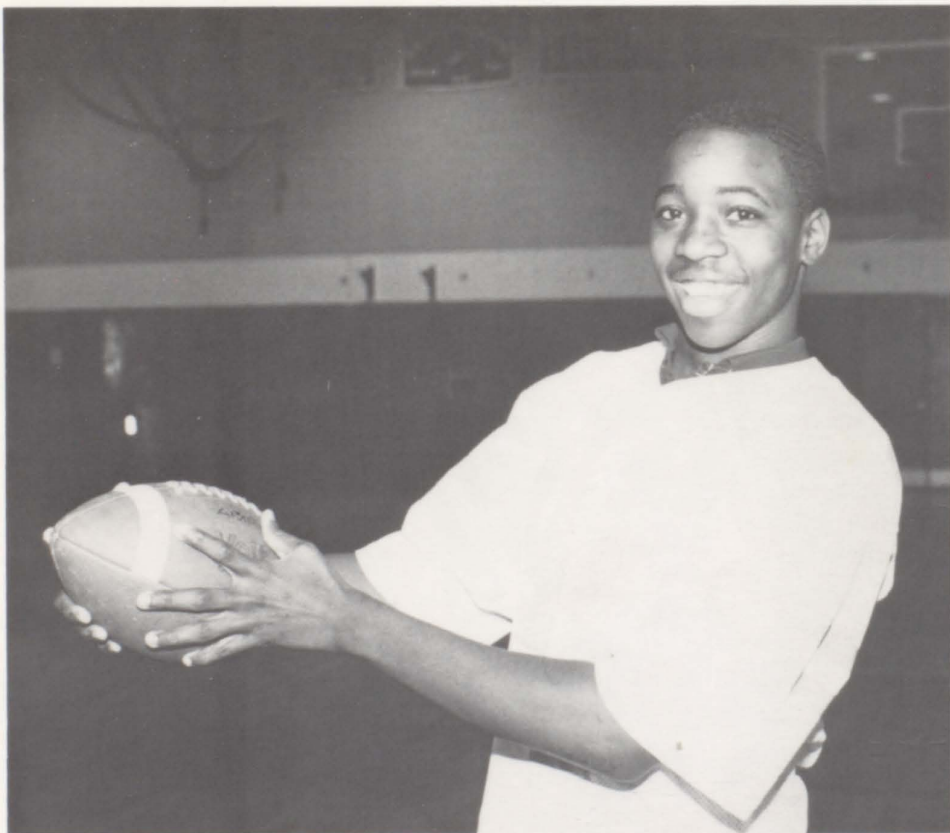

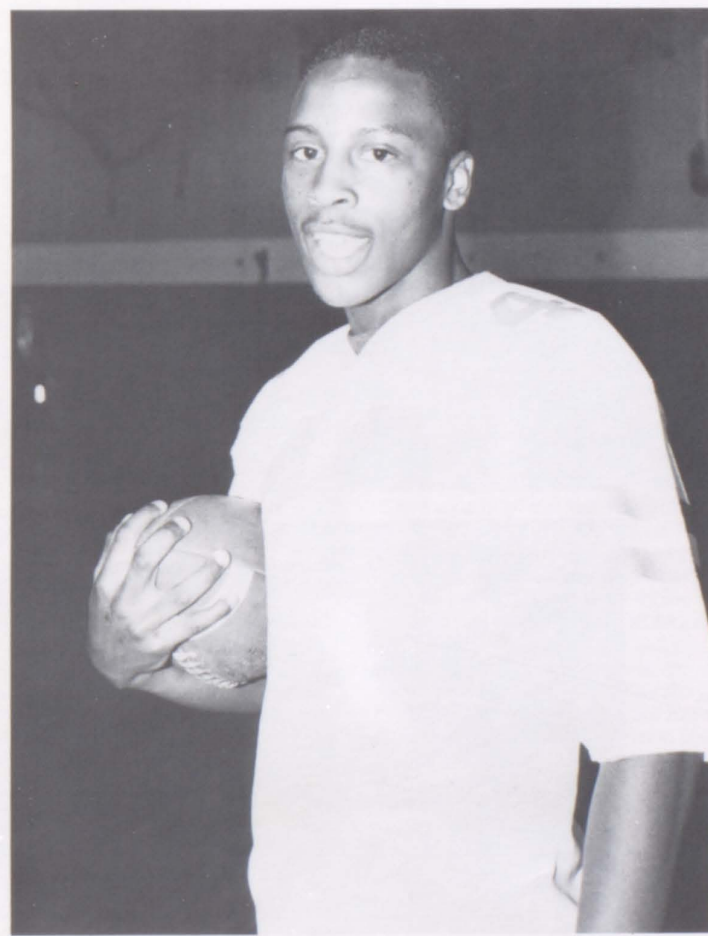

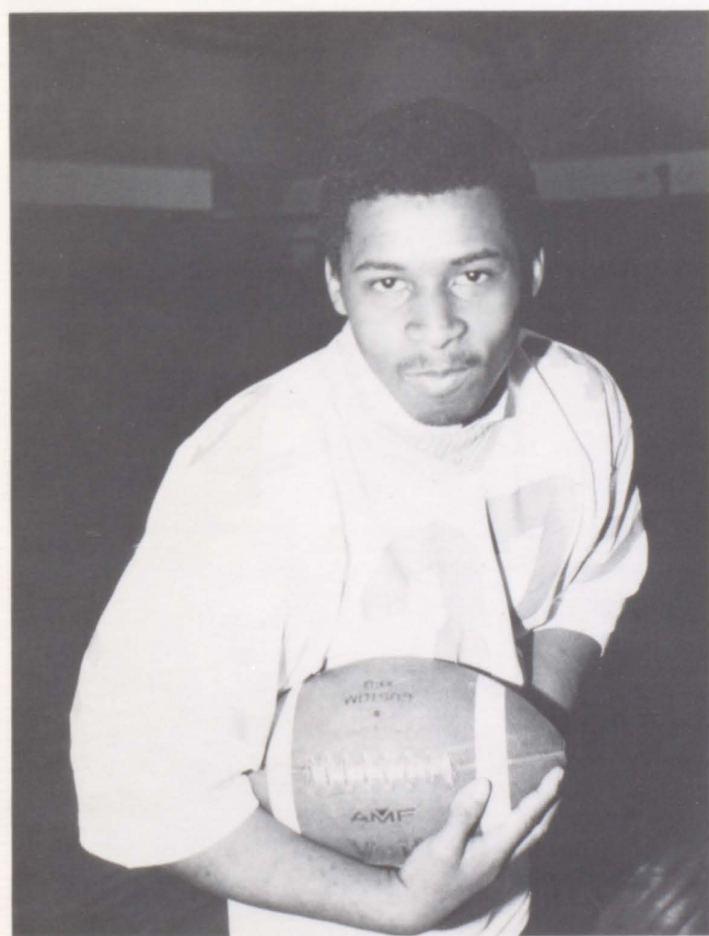

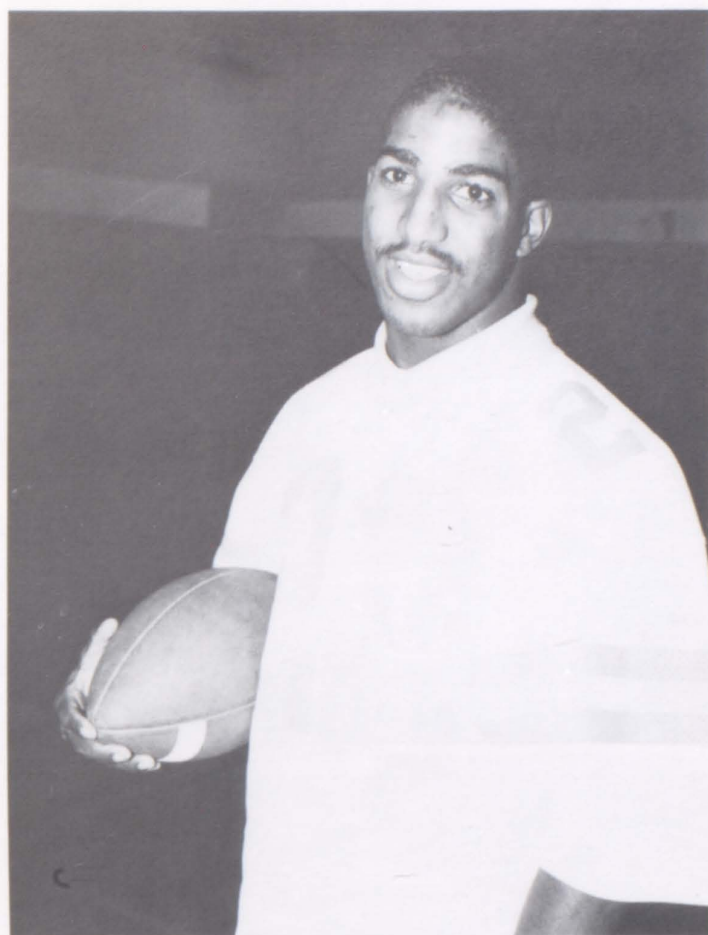

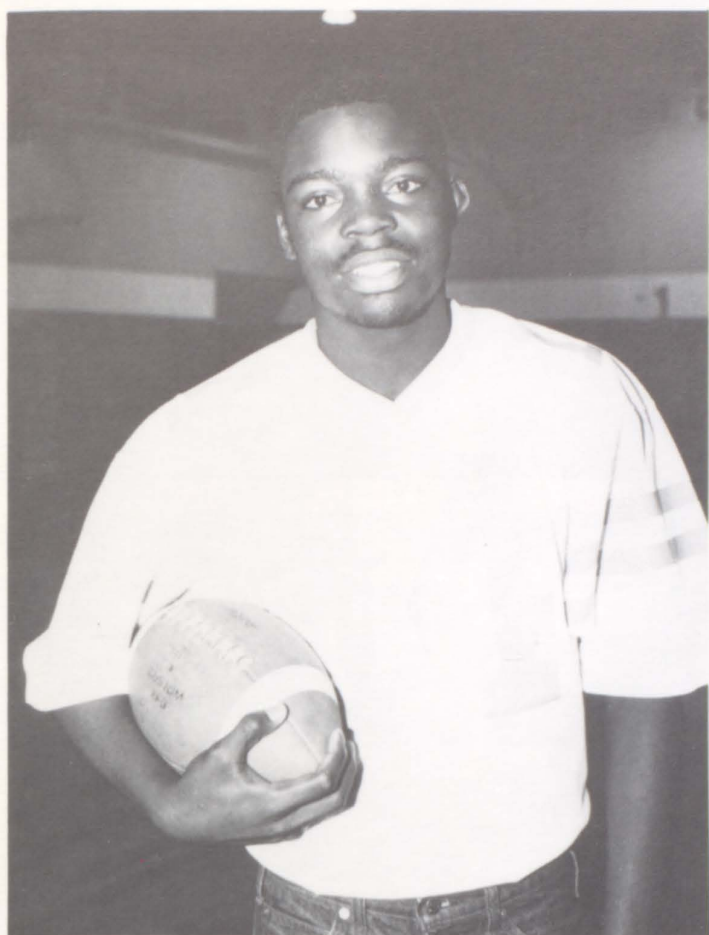

FOOTBALL

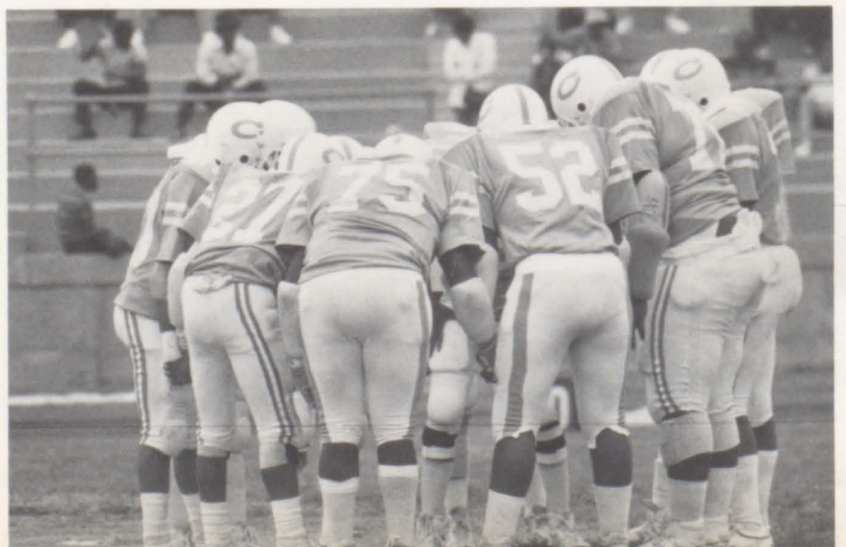

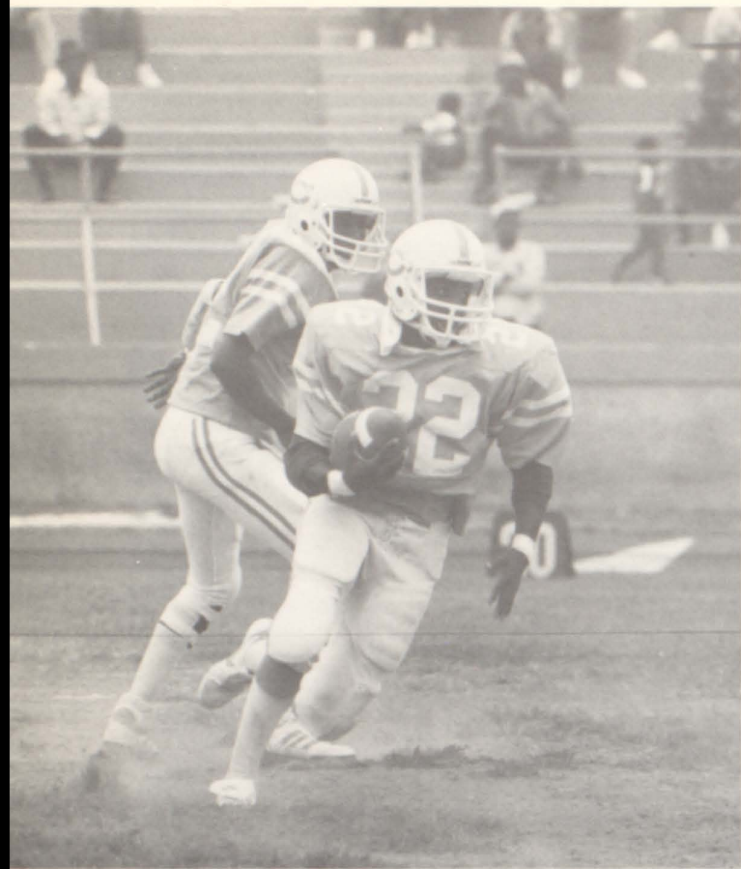

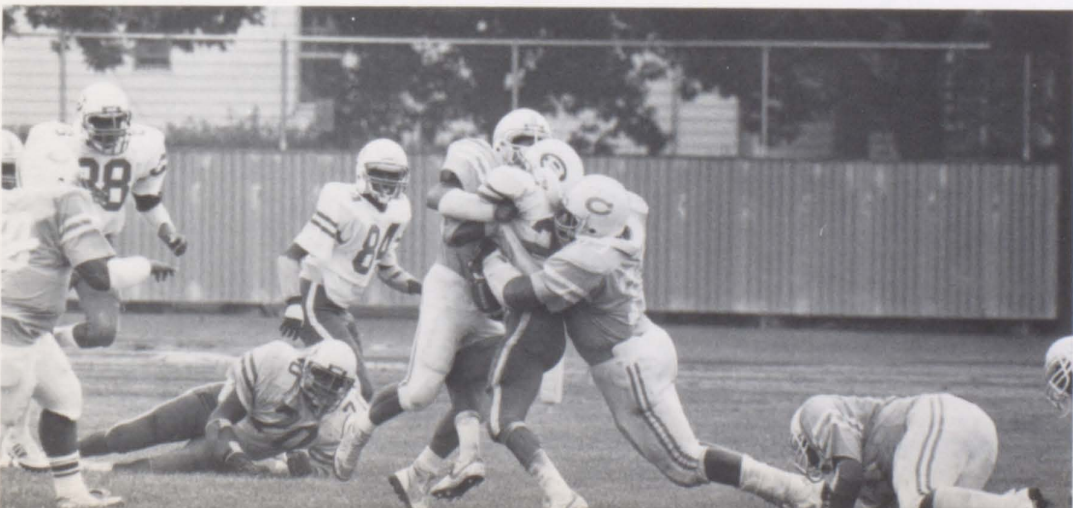

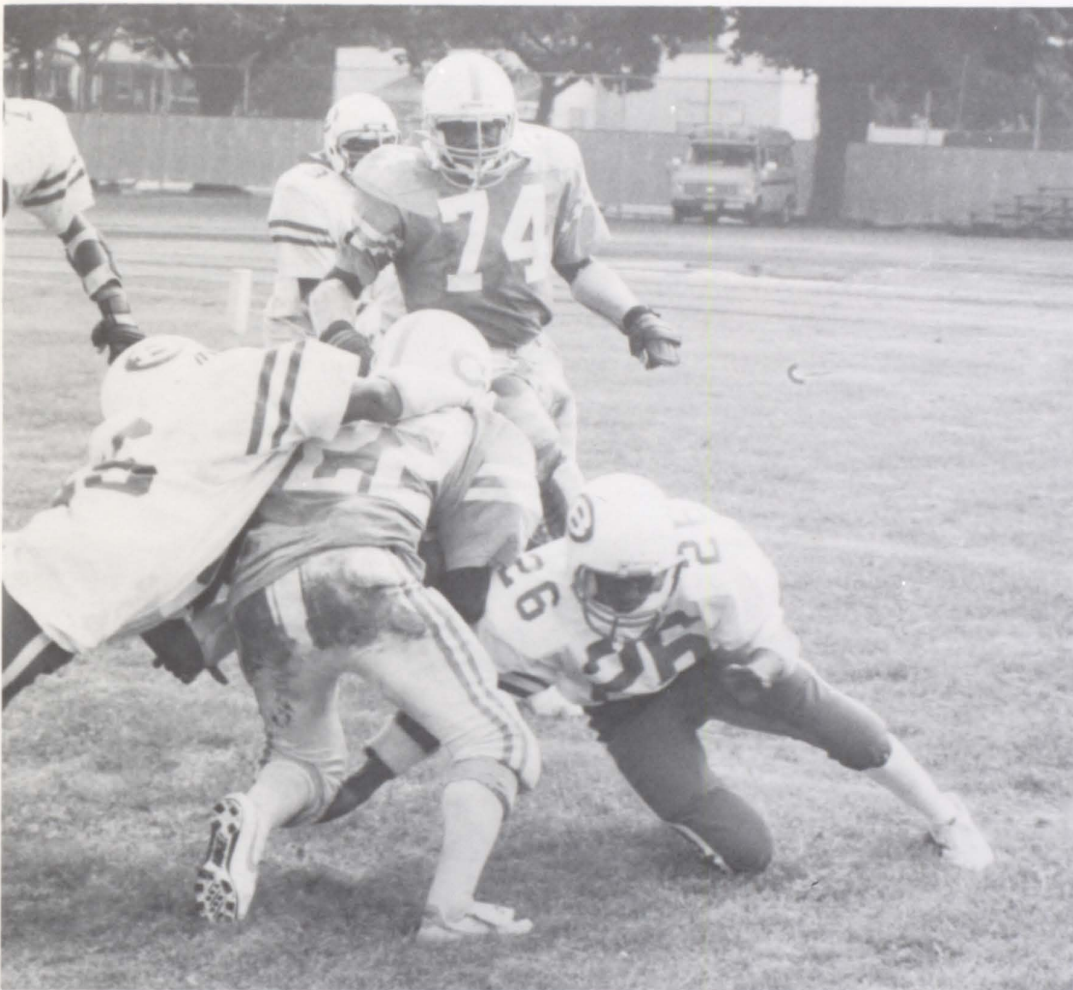

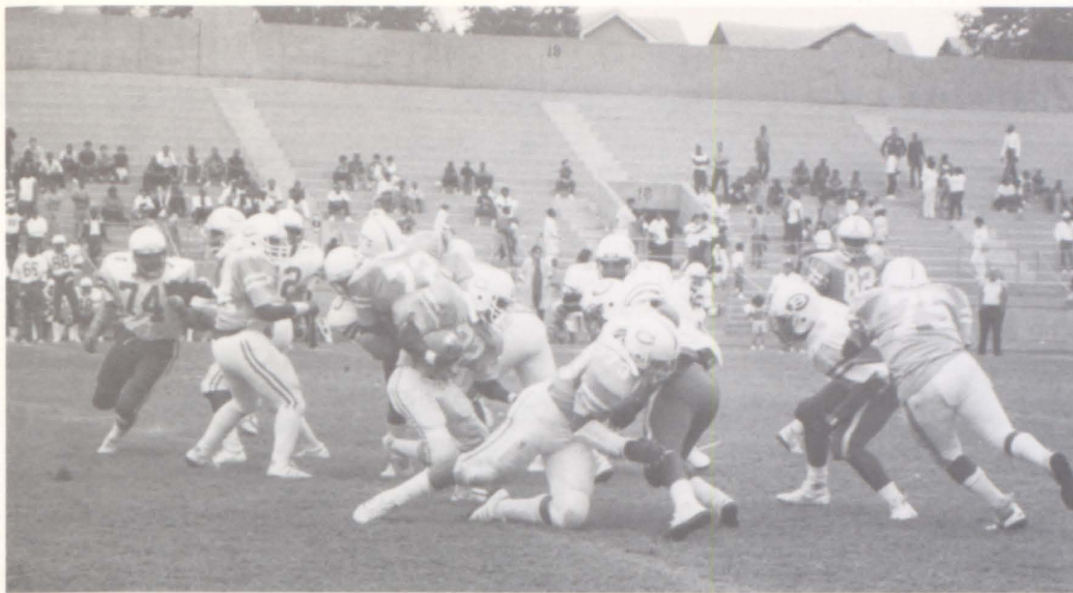

This year's football team showed a slight improvement over last season's team. Our record was two wins, six losses and one tie. The team is young and will mature with time. We had dedicated players who gave 100% on every play; however, next year we hope to increase their ability and potential. One of the highlights of the season was our defense consisting of Maurice Mapps, Maurice Bennett, Bernard Green, Raymond Sheffield, Dexter Williams and Kyle Moore. With the hard work and dedication of the returning underclassmen, the coaches look forward to a winning season.

The Varsity Football Team: *Bottom:* Maurice Mapps, Raymond Sheffield, Philip Martin, Edward Collins, William Bullard, Eric Fuller. *Middle:* LaSonja Pittman, Edward Campbell, Robert Thompson, Ricky Maxwell, Michael Rennie, Andre Frison. *Top:* Andre Fuller, Kyle Moore, Maurice Bennett, Darnell Graham, Bernard Green, Robert Butts. Coach Goldsberry, Coach Ferguson.

Clockwise from top left: Page 107 Kyle Moore adds the finishing touches to the holes, as Philip Martin tries to seek the end zone. Martin tries the same hole again. Robert Thompson breaks through the line to make that tackle for Central. Kyle Moore and Maurice Mapps crunch bunch Barringer's Sidney Robinson. Philip Martin has no where to go as Bernard Green looks on. *Page 106* Quarterback Maurice Bennett hands off the ball to Philip Martin as he looks for a hole. Raymond Sheffield and Bernard Green watch the action closely. Raymond Sheffield roles out as he looks for an open receiver. Central's offense goes back to the drawing board to try to put things back together again. Punter William Bullard tries to kick his all into the ball.

BASEBALL

Look out City League! Coming off a strong season of 16 victories, Coaches Battaglini and Ballin's veteran club should be a strong favorite for the city title. With six juniors and one sophomore in the starting lineup, last year's group thumped powerful Seton Hall, Irvington and New Providence, kept its unbeaten string against Weequahic (13-0 in the 1980's), took two from East Side and split with a good Barringer team, however, the team's inexperience cost them a title when it squandered opportunities against Vailsburg and West Side. Finishing in second place has left his club hungry for a championship.

The leading hunger pains are felt by the senior souls who will have to key this year's attack. Jason Smith, All county pitcher will have to put numbers up like his All-County sophomore year. Jason remembers the joy of our '84 title and wants that honor again. The coaches believe this young man can lead the county in hitting and has the ability to be Coach Battaglini's fifth All State selection since 1981. Maurice Johnson, the starting catcher, should improve defensively and become the class of the league in the tradition of strong Central receivers, (Mc Donald '81, Kelly '82, Mapps '85 were All City) At the plate, Maurice lead the Blue Devils in home runs. Three year varsity player, Phil Martin, will anchor the out field aided by speedy Rudolph Booker. Ray Sheffield and Carlos Zaragosa should contend for a spot. Dakar Hamlet will follow in the great tradition of Central first basemen (Jiles and Allen made All-State at that position). Doc's bat, probably in the fifth spot, will be counted on to drive in runs. Kenny James will be the utility infielder for our 1986 squad. Joe Coleman will hurl from the bullpen.

Despite these eight veteran players, the key to success may lie with the junior class. Steve Fisher will be the everyday shortstop and number three pitcher. Ambiorix Diaz will be the number 2 hurler and utility out fielder. Both players gained valuable experience playing American Legion baseball. Dedric Watson will compete for the center field spot while Darnell Graham seeks a starting role as third baseman. Transfer Orlando Purnell will be our ace reliever and play the infield. Darrell Love will test his skills in the outfield as Alfookwan Walker battles for the third base slot. Kenny Ward will seek playing time in the outfield.

Again the Blue Devils face a monster schedule. For the team to realize its goals it must develop consistency and overcome the dreaded "senioritis" that often dashes dreams. Coach Battaglini who topped the 100 victory mark last year, has high expectations for the '87 Devils. New uniforms are in store, and that might be a good omen. The last time jerseys were redesigned ('84) a city championship followed. Let's hope our men can keep their "designs" for a great year.

GIRLS' CROSS COUNTRY

The 1986-1987 Girls' Cross Country team was loaded with great freshmen runners. Coach Cole and Coach Stewart feel that with veterans Adrienne Davis and Sharonda Keith, the Girls' Cross Country team will have a better year in 1987. All of the young girl runners ran well under 30 minutes for 3.1 miles. The coaches feel that Shawanna Jones, Alnisa Smith, Sheila Williams, Jessie Rodriguez, Tasha Lockhart, Sharonda Keith, Christina Chambers, Lakeisha Smith, Nicole Monroe, Lorraine Howell, Adrienne Davis, Rhonda Taylor and Lakeisha Harris will put the Girls' Cross Country team on the map.

BOYS' CROSS COUNTRY

The 1986-1987 Boys' Cross Country team is on the move placing fifth in the city with most of the runners returning next year. All the young men ran well under 19 minutes. Coach Cole feels with the return of James Artis, Raymond Rodriguez, Vincent Price, Antwan Collins and Calvin Cheeks. Central Boys' Cross Country team may win its first city title next year.

TENNIS

Tennis is a game of strokes, skill and stamina which doubles as a sport involving highly intense emotion. Each team member trains himself or herself through rigid practice schedules and conditioning along with assistance from tennis coach, Percy Lesure.

Members of the tennis team must be very responsible, disciplined and must support their fellow team members and coach. Tennis is a game which demands hard work but our players who enjoy the game, practice diligently and willingly. We look forward to a good season this year with our returning players.

Clockwise from top right: Pg. 116. The 1986 Team: Coach Lesure, Maurice Bennett, Roosevelt Brown, Charles Trent, Patrice DeSmith, Jonas Improgo. Charles Trent takes a swing at the ball. Pg. 117 Jonas Improgo. Roosevelt Brown, Charles Trent, Maurice Bennett.

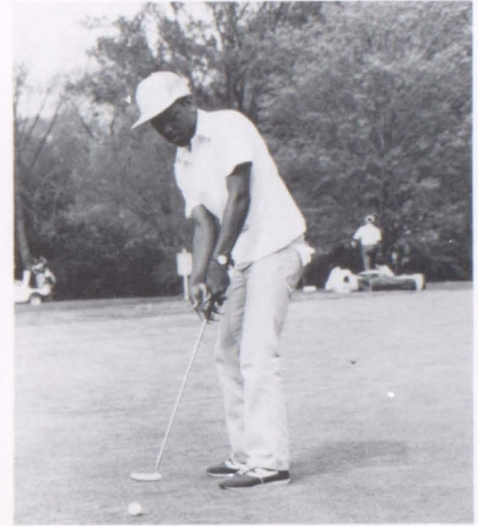

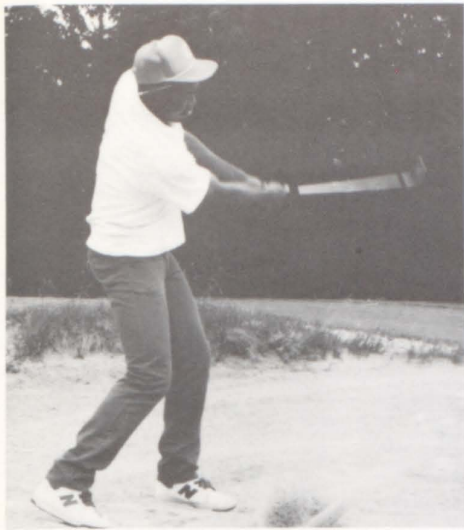

The golf team members work very hard developing their game skills and team attitude during the winter clinics and golf season.

The youngsters have two factors to overcome, the strangeness of the sport and its complexity. The golf swing is deceiving for it looks easier than it really is.

The golf swing described in the language of physics involves such abstractions as torques, kinetic energy, centripetal forces and the conversions of angular momentum.

Winning the city golf championship in "83-84-85-86" required developing the game skills, but most of all, it required possessing a team spirit in an individualistic sport.

SOFTBALL

During the spring of 1986, the Softball season was anticipated to be very promising, but ended up differently than we expected. Now in 1987 the Lady blue Devils are back and ready to complete the season successfully. Added to our squad this year is new coach Charlie Ryans Jr. . Veterans returning more ambitious than ever to help make this season a success are Y. Potts, C. Jackson, K. Howell, T. Washington, C. Loperena, C. Melendez, P. Hall and Y. Posario. We expect 1987 to be a great year.

BASKETBALL

The Central High School Blue Devils Basketball Team lead by seniors Mark Eagle, Phillip Martin, Darren Johnson, Charles Revelle, Joe Coleman, Jason Smith, Dakar Hamlet, and Vic Thompson were off to a slow start this season. After losing our first two games to Barringer and Weequahic, the Blue Devils won their next three games to get on the winning track.

The Blue Devils were lead in scoring by Mark Eagle and Jason Smith and in rebounding by Vic Thompson. Mark lead the team with a 20.9 scoring average, topping the 30 point mark five times this season. Jason Smith, a senior but a first year player, helped the team with his all-around good play. He was the team's second leading scorer averaging 10.5 points a game and he also pulled down seven rebounds. He supplied the fans with a lot of exciting moments with his long range shooting and soaring moves to the hoop. Vic Thompson, the team's big man in the middle, did not do a lot of scoring but pulled down an average of eight rebounds a game and sured up the middle of the Blue Devil defense.

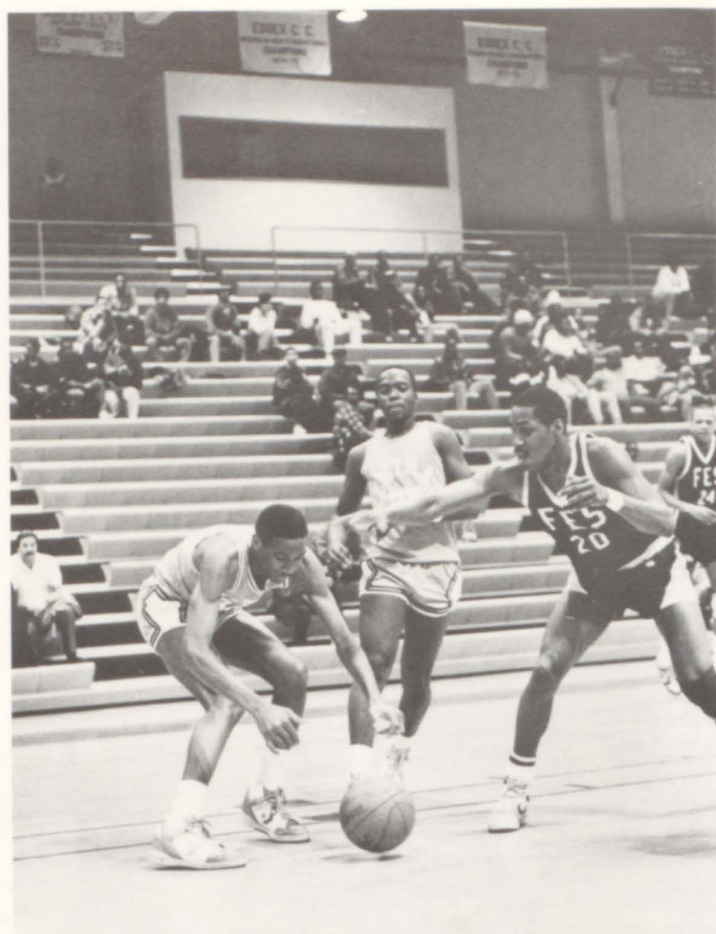

Rounding out the rest of the team were juniors Allen Ferrell, Douglas Evans, Steven Fisher, Danny Rodriguez, Darren Jackson and sophomore Hassan Keith. The Blue Devils finished the season at (9-11).

BASKETBALL

Girls' basketball at Central High has been a continually growing and building program. This year we were lead by Sheryl Washington (Team Captain and High Scorer) and Lorraine Howell (Co-captain), both seniors, whom we will surely miss and wish the best of luck. This year's record reflected the drive and determination of the girls' obsession to win and to be recognized. Next year we will be lead by up and coming players such as Bridgette Franks, Debbie Johnson and Patricia Hall. Once again, we here at Central say, "thank you Sheryl and Lorraine for four lovely years and do not forget to check us out next year, for we are still growing."

Clockwise from top right. Pg. 126. Patricia Hall is playing defense on Vailsburg girl. The Team: Top, Patricia Hall, Coach Williams, Bridgette Franks, Lutricia Graham. TRACK

The 1987 Boys and Girls track team is lead by seniors Sharonda Keith and Ralston James. They are City and Sectional State finalists. Ralston James is the City and State Champion in the 400 meter run. Both will be attending college in the fall. Sha Sha will be attending Boston University and Ralston will be attending Seton Hall, hopefully on a track scholarship. Coach Cole feels these two runners gave him 100% every time they ran.

Coach Stewart, the girls' outdoor track coach feels that 1987 will be a good year for the Lady Blue Devils. Our track team will be exciting with veterans Sharonda Keith and Adrienne Davis, and new-comers Latisha Harris, Shawanda Jones and Alnisa Smith.

World Champions wear Balfour rings. So should you.

Your class ring is made with the very same craftsmanship and care that go into the making of the sports world's most sought after symbols of accomplishment: the championship rings. Like yours, made by Balfour, of course.

Balfour® *No one remembers
in so many ways.*

Good Luck
